1.09 Non-Profit Organisations

Non-profit organisations, recreational clubs, school organisations, religious affiliate groups or Charitable organisations are excluded from applying to be or being appointed as a Brand Partner or holding a Brand Partner account.

1.10 Fictitious and/or Assumed Names

A person or entity may not apply as a Brand Partner using a fictitious or assumed name without Company approval, which may be withheld in the Company's sole discretion.

1.11 Independent Contractor Status

A Brand Partner is an independent contractor. A Brand Partner is not a franchisee, joint venture Partner, business Partner, employee or agent of the Company, and Brand Partner is prohibited from stating or implying, whether orally or in writing, otherwise. Brand Partner has no authority to bind the Company to any obligation. The Company is not responsible for payment or co-payment of any employee benefits. Brand Partner is responsible for liability, health, disability and workmen's compensation insurance. Brand Partner sets Brand Partner's own hours and determines how to conduct Brand Partner's business, subject to the Agreement and the Policy Manual.

1.12 Taxation

As an independent contractor, a Brand Partner will not be treated as a franchisee, Partner, employee, or agent for federal or state tax purposes including, with respect to federal and State law.

The agreement between Nerium International and its Brand Partners does not create an employer/employee relationship, agency, partnership, or joint venture between the Company and the Brand Partner. All Brand Partners are responsible for paying their own income and employment taxes. Brand Partners will not be treated as employees for any purpose including, but not limited to, workers compensation superannuation, or insurance. Each Brand Partner is encouraged to establish their own goals, hours, and methods of sale, so long as they comply with applicable laws and the terms and conditions of the Brand Partner Agreement.

Each Brand Partner is solely responsible for the taxation affairs and obligations of their appointment to Nerium – Nerium shall have no liability whatsoever for the taxation affairs of the Brand Partner in relation to their Nerium business. Each Brand Partner is encouraged to seek their own independent taxation advice for and in relation to their appointment.

Withholding Requirements by Nerium

Under current Australian Taxation Office rules, individuals or their connected business entities earning more than \$10,000 AUD are required to provide their ABN number to Nerium International. Failure to do so will result in withholding being applied to Brand Partners commission check at the minimum rate specified by the Australian Tax Office (currently at 49%).

In addition, Brand Partner's earning more than \$75,000 AUD in commission during any rolling twelve (12) month period are required by the Australian Tax Office to register for GST and charge GST on commissions. Should a Brand Partner's taxation status change it is incumbent upon the Brand Partner to advise Nerium immediately.

Brand Partners are not compelled to seek GST registration until their total revenues (sales receipts and income payments received from Nerium International) reach AUD\$75,000 in any period of twelve consecutive months. If a Brand Partner's turnover exceeds AUD\$75,000, they must register within twenty-one (21) days of reaching it. Brand Partners who are not registered for GST will not be eligible to claim back the GST they pay on any of their business expenses including product

purchases from Nerium International. Brand Partners that are GST registered, must generally charge GST on any sales they make to customers (referred to as taxable supplies) and remit the GST component to the ATO. Any receipts Brand Partners issue for sales must comply with the Tax Invoice requirements. Recipient Created Tax Invoices – For Brand Partners that are GST registered, any commissions or bonuses that Nerium International is eligible to pay to the Brand Partner will be subject to GST, as the payment will be regarded as consideration for a GST taxable supply, being the Brand Partner services they provide to the company. The general rules in the GST legislation will require Brand Partners to provide Nerium International with a Tax Invoice for this payment. However, as Nerium International calculates the amount of any commissions or bonuses, it is more convenient and practical for both parties if Nerium International issues the Tax Invoices on the Brand Partner's behalf – referred to as a Recipient Created Tax Invoice (RCTI) system. In order to allow Nerium International to issue an RCTI, the Brand Partner must enter into an RCTI agreement which allows Nerium International to issue an RCTI for any commissions or bonuses owing to the Brand Partner. However, it is important to note that any GST component included in the RCTI must be included in Brand Partner's BAS and remitted to the ATO. If Brand Partner is not registered, or required to be registered, for GST, they will not be eligible to participate in the RCTI arrangement with Nerium International since they will not be making taxable supplies.

1.16 (a) Cross-Group Sponsoring

Actual or attempted "cross sponsoring" is not permitted. Nerium members deserve to enjoy the right of their relationship with the company without being solicited by other Brand Partners into another 'like' or competing entity third party entity. Cross sponsoring is defined as the transfer or attempted solicitation, enrolment or encouragement by a Brand Partner of another Brand Partner, who is not in their frontline business, to enrol or participate in another direct selling organisation that is a competitor to Nerium. This conduct constitutes recruiting even if the existing or former Brand Partner's actions are in response to an inquiry made by another Brand Partner or Customer.

1.17 Cross-Group Selling

Sales to other Company Brand Partners in order to receive credit for bonuses and advancement is prohibited. A Brand Partner shall truthfully and fairly describe and present the Compensation Plan. No past, potential or actual income claims may be made to prospective Brand Partners. A Brand Partner may not guarantee commissions or estimate expenses to prospects. 7.09 (i) Commercial Messages and Solicitation

Brand Partners should not post any unsolicited commercial messages or SPAM to any person through use of a Nerium social media outlet. Brand Partners are encouraged to refer persons to their personalised Nerium web page or to the official Nerium web page, but should not try to do individual business transactions via social media sites. Brand Partners shall not solicit on Nerium company pages which are owned and operated by the Nerium corporate office and Nerium reserves the right to delete or remove any such content deemed to be solicitation, defamatory, derogatory or the like.

7.09 (c) Products via other portals

Brand Partners shall not offer Nerium's products for sale via any other online medium other than the official Company site or from a BP's own company supplied Personal Web Page.

7.10 Endorsements

No endorsements by a Company officer or any third party may be asserted, except as expressly communicated in the Company literature and communications. Federal and state regulatory agencies do not approve or endorse direct selling programs. Such conduct may contravene Australian Consumer Law and be deemed a potential breach of Misleading and Deceptive conduct provisions with respect to false endorsements. Therefore, Brand Partner may not represent or imply, directly or indirectly, that the Company's program, products or services has been approved or endorsed by any governmental agency.

7.11 Independent Communications

Subject to the restrictions imposed by this Section Seven, Brand Partners are encouraged to distribute information and direction to their respective downlines; however, Brand Partners shall identify and distinguish between personal communications and the official communications of the Company.

7.11 (b) Media Inquiries and Media

Brand Partners must not respond to media enquiries regarding Nerium, its products or business. All enquiries of this nature must be referred back to Nerium's corporate office. Similarly, Brand Partners must not place articles in any publication without express approval from Nerium's head office.

7.12 Medical or Therapeutic Claims

No medical claims (expressed or implied) may be made for any Company product by a Brand Partner. No therapeutic claims (including personal testimonials) as to curative, or beneficial properties of any Nerium products may be made except that which is approved in authorised company literature. In particular, a Brand Partner may not claim that Nerium products can assist in or are useful for treatment or prevention of medical conditions. Such statements may be perceived as advice of a medical or curative nature and may violate Nerium policies and may contravene federal and local laws and regulations, including the Therapeutic Goods Act and Therapeutic Goods Advertising Code and the Australian and New Zealand Food Standards Code.

The Company recommends that customers under a physician's care or suffering from any chronic disorder should consult their physician before undertaking any changes in diet or when beginning any nutritional program. The Company's nutritional products are designed for augmentation, not replacement. The Company encourages all Company customers to seek the advice and counsel of nutritional and healthcare professionals.

7.13 Brand Partner Services

The Company provides every active Brand Partner with management and training communications, timely delivery of product and sales materials, and a computer report of sales made in their marketing group for the pay period in which commissions and overrides are earned and paid.

7.14 Repackaging Prohibited

A Brand Partner may not repackage products or materials of the Company in any manner.

7.15 Recordings

A Brand Partner may not produce or reproduce for sale or personal use products sold by the Company or any Company-produced literature, audio or video material, presentations, events or speeches, including conference calls. Video and/or audio taping of Company meetings and conferences is strictly prohibited. Still photography is allowable at the discretion of the meeting host.

7.16 Telephone Answering

A Brand Partner may not answer the telephone by saying "Nerium International" or in any other manner that would lead the caller to believe that the call has reached the corporate offices of the Company.

7.17 Liability

Violation of any of the rules contained in this Policy Manual is grounds for termination of the individual's Brand Partner status. The violator may also be liable for damages resulting from unauthorised use of the Company copyrights, trademarks, and materials.

Section 8 (Payment of Commissions)

8.01 Basis for Commissions

Commissions and other bonuses cannot be paid until a completed Agreement has been received and accepted by the Company prior to the end of the month in which the sale is made. Commissions are paid ONLY on the sale of Company services and products. No commissions are paid on the purchase of a Brand Partner Launch Kit or for sponsoring Brand Partners.

8.02 Calendar

Commissions, overrides, and bonuses are calculated and paid on the current pay period information. A Brand Partner is promoted to the highest rank in which they qualify at the close of each bonus period. Commissions and bonuses are paid based on the "Paid As" rank.

8.03 Commission and Bonus Payment Date

Monthly commission and bonuses are paid two weeks following the end of each pay period. Should the payment day fall on a legal holiday or weekend, commissions and override payments will then be made on the next regularly scheduled business day. Weekly commissions and bonuses are paid ten (10) days following the close of the commission period. Commissions are paid to "qualified" Brand Partners as defined in the Compensation Plan. The Compensation Plan sets forth a detailed explanation of the benefits and the commission structure.

Errors: If a Brand Partner believes an error may have been made regarding commissions or bonuses, they must notify Nerium's Operations Department in writing within sixty (60) days of the date of the reported error or incident in question. Nerium will not be liable for any errors, omissions or problems not reported to the Company within this time frame.

8.04 Minimum Payment

The minimum amount for payment of commissions and overrides is \$15.00; all monies not paid will be included in the next bonus payment. Processing fees vary based on payment option and may be deducted from all commission and bonus payments.

8.05 Offset of Commissions

Any commissions or bonuses earned and paid on products returned is the obligation of and shall be repaid to the Company by the Brand Partner originally paid such commissions or bonuses. The Company has the right to offset such amounts against future commissions and other bonuses paid or owed to such Brand Partner and Brand Partner's upline who participated in an override.

Section 9 (Purchase and Sale of Products)

9.01 Purchase Requirement

No product purchase is required in order for an applicant to become a Brand Partner, although purchases or sales of products may be required in order to advance in the Compensation Plan. Brand Partners who have had their Agreement accepted by the Company may buy products at wholesale prices directly from the Company.

9.02 Stockpiling Prohibited

The success of the Company depends on sales to the ultimate consumer and all forms of stockpiling are strictly prohibited including, but not limited to, purchases of products primarily for purposes of qualifying for additional compensation. The Company recognises that Brand Partners will purchase products for their own use, however, the Company strictly prohibits the purchase of products in unreasonable amounts in an attempt to qualify for advancement in the Compensation Plan.

9.03 70% Rule

In order to qualify for commissions and bonuses, the Brand Partner shall certify on the product order form that the Brand Partner has sold to non-Brand Partner consumers or used at least 70% of all products previously purchased at wholesale. Brand Partners placing telephone orders to the Company are also required to comply with this rule and may be requested by the Company to verify compliance.

In its effort to support and enforce the retail sales/70% Rule, the Company on a quarterly basis will conduct random audit verification follow-ups. Representatives of the Company will contact Brand Partners to further verify compliance with the retail 70% Rule. Brand Partners should maintain records and be prepared to assist the Company representative in their task.

9.04 Retail Sales Rule

Requiring sales to at least five (5) retail customers per month.

9.05 Preferred Customer Rules

A Preferred Customer must personally opt-in to the monthly Auto-Delivery Order program. Invalid Preferred Customer orders are defined as orders submitted as Preferred Customer orders for qualification purposes without written authorisation from the customer. If a Nerium International Brand Partner submits a Preferred Customer order without the Customer's consent, the Brand Partner will be subject to disciplinary action, including termination. Preferred Customer orders cannot be paid by or shipped to a Nerium International Brand Partner for any reason. No exceptions.

9.06 Ordering Methods

All orders submitted to the Company shall have the Brand Partner's or Customer's Company issued identification number placed thereon to assist the Company in processing and shipping the order properly. Failure to provide this information may result in a delay in processing the order.

9.07 Direct Purchase

Brand Partners may purchase their product needs directly from the Company. Should a Brand Partner obtain product from Brand Partner's Sponsor or upline Brand Partner's personal inventory and a replacement product order is not placed and processed through the Company, no commissions or overrides will be paid by the Company on such transactions.

9.08 Payment Options

Purchases may be paid by Eftpos, personal cheque, money order or by either Visa or Mastercard credit cards, unless specifically stated otherwise by the Company. Pre-printed name, physical address and phone number must be on all cheques. Personal cheques will be accepted only for payments in the amount not greater than \$1,000. In the event a cheque or credit card is declined, Brand Partners will be contacted for an alternate form of payment and may be subject to an additional processing fee. No orders will be shipped without prior payment. Nerium reserves the right to charge an administration or reversal fee, equal to and no less than that charged by Nerium's bank for insufficient funds in credit accounts, or for dishonoured cheques and the like, at its discretion.

Any outstanding balance owed by a Brand Partner for a dishonoured cheque may be withheld from subsequent bonus payments. Nerium may also then decline any future orders from the offending Brand Partner until any outstanding debit balances have been cleared.

9.09 Shipping and Handling

It is the ordering Brand Partner's sole responsibility to indicate (a) the method and means of shipping, and (b) the destination address.

9.10 Product Delivery

Upon clearance of payment, the Company processes for shipment the products and materials ordered. If an item is temporarily not available (TNA), the consignee will be notified on the packing list included with the shipment. If a TNA should occur, the item(s) will be shipped as soon as available and usually within ten (10) days of the date the original order and payment was received. Back orders may be cancelled by the Brand Partner by written request received by the Company prior to shipment.

9.11 Damaged Goods

The shipping company is responsible for any damage that occurs after it takes physical custody of the products. Therefore, it is important that the damage is reported promptly in order to allow Nerium International to file a claim with the shipper. The purchaser of Company products who receives damaged goods shall comply with the following procedures:

- a) Accept delivery.
- b) Before the driver leaves, note on the delivery receipt the number of boxes that appear to be damaged and require the driver to acknowledge the damage in writing.
- c) Save the damaged products or boxes for inspection by the shipping agent.
- d) Contact Nerium International Support Department to arrange for a replacement order to be shipped and a damaged goods claim to be filed.

9.12 Price Changes

Prices for the Company's products, services and literature are subject to change without prior notice.

9.13 Receipts, Retail Pricing

The Brand Partner will provide all retail purchasers of the Company products with written receipts. Although the Company provides a suggested retail price as a guideline, the Brand Partner may sell the Company products at whatever retail price they and their customers may agree upon.

9.14 Sales Tax

To ensure compliance with the sales and use tax requirement of each state, unless required otherwise by state law, the Company may, at its option, collect and remit all applicable sales and use taxes on products, promotional materials and services sold to Brand Partners and retail customers based on the suggested retail price of the product. The applicable rate of tax due shall be based on the address to which the product and/or material are shipped. If the Brand Partner requests a tax exempt purchase for products purchased for resale (not for personal use), Brand Partner shall provide the Company with a true and correct copy of a current resale certificate from the applicable state.

Australia has a Goods and Services Tax (GST) of 10% on all goods excluding functional foods.

INCOME TAXES: Each Brand Partner is solely responsible for their own taxation affairs. – Nerium has no liability whatsoever for or in relation to the taxation affairs or obligations of the Brand Partner. The Brand Partner is encouraged to seek and obtain independent taxation advice.

(Nerium will include GST in such Brand Partner's bonus entitlements that they may qualify for and will generate an appropriate GST invoice for GST reporting by both parties. In the event that a Brand Partner's taxation status changes, the Brand Partner must advise Nerium immediately.)

9.15 Shipping Loss

The Company will track all deliveries shipped. The Brand Partner should contact the Company immediately upon being made aware of any shipping problem.

9.16 Inaccurate Delivery

If a product is shipped in error by the Company, the unordered merchandise may be returned at the Company's expense provided the following steps are taken:

- a) Brand Partner or retail customer notifies the Company within five (5) days of receipt of the order;
- b) A copy of the shipping or packing slip shall be enclosed with the proper forms required by the Company completed and executed by Brand Partner or retail customer; and
- c) Products shall be returned in original containers and shall be packed properly to prevent damage in return shipment.

9.17 Refused Shipments

Should Brand Partner refuse delivery on any order placed with the Company, the Company shall have the right to place Brand Partner in suspension pending resolution of the refusal of delivery. Neither Brand Partner nor a retail customer shall refuse any shipment from the Company unless prior approval of the Company has been obtained. Should the receiving party of any order shipped from the Company refuse to accept delivery and the shipment is returned to the Company, the ordering Brand Partner's status will be suspended pending resolution of the delivery refusal. Non-accepted delivery charges will be debited to the Brand Partner's account. If the Company determines that a valid reason exists for refusing shipment, it will instruct the Brand Partner or retail customer on the proper procedure for a return.

9.18 Retail Outlets

The integrity of the Company's marketing plan is built upon person-to-person, one-on-one, and in-home presentation methods of sale. Selling Company products through any chain of retail stores, including but not limited to stores, pharmacies, supermarkets, health food stores, shopping mall booths and the like, or restaurants, is strictly prohibited. Selling Company products by Brand Partners through retail outlets or professional offices that are not part of chains and are owned or operated by the Brand Partner is acceptable upon written approval by the Company.

However, in such cases the products need to be sold behind the counter or in private consulting rooms not visible or accessible by the public. Such businesses include health spas, skin salons, health clubs and offices of health care practitioners who are licensed to practice their profession in the state in which their office is located. Also, the establishment must have a Brand Partner who is knowledgeable about Nerium's products and who needs to be present during the establishment's opening hours.

9.19 Service-Oriented Establishments

It is permissible to take orders for the Company products in businesses such as health spas, health resorts or similar establishments.

9.21 Trade Shows

With written authorisation from the Company, Company products or services and opportunity may be displayed at trade shows by Brand Partners. Request for participation in trade shows must be received in writing by the Company at least two weeks prior to the show. Written authorisation from the Company must be received before participating in the trade show. Unless written authorisation is secured from the Company, Company products or services and opportunity are the only products or services and/or opportunity that may be offered in the trade show booth. Only Company produced marketing materials may be displayed or distributed. No Brand Partner may sell or promote the Company's products or services or business opportunity at flea markets, swap meets, or garage sales.

9.22 International Sales

No independent Brand Partner may export or sell directly or indirectly to others who export the Company's products, literature, sales aids or promotional material relating to the Company, its products or services or the Company's program from the United States or its possessions or territories to any other country. Independent Brand Partners who choose to sponsor internationally may do so only in countries in which the Company has registered to operate its business and must comply fully with the Rules of Operation of a Company Brand Partner in that country. Any violation of this rule constitutes a material breach of this contract and is grounds for immediate termination of the Brand Partner position.

9.23 Product/Services Claims

A Brand Partner shall make no claim, representation or warranty concerning any product or service of the Company, except those expressly approved in writing by the Company or contained in the official Company materials.

9.24 Promotional Items

All promotional items that bear the Company name or logo shall be purchased solely from the Company or its approved supplier unless prior written permission is obtained from the Company.

9.25 Telemarketing

Telemarketing is strictly prohibited. Australian Consumer Law and each State have laws that restrict telemarketing practices. Both federal agencies (as well as a number of states) have “do not call” regulations as part of their telemarketing laws. Although the Company does not consider Brand Partners to be “telemarketers” in the traditional sense of the word, these government regulations broadly define the term “telemarketer” and “telemarketing” so that your inadvertent action of calling someone whose telephone number is listed on the federal “do not call” registry could cause you to violate the law. Moreover, these regulations must not be taken lightly, as they carry significant penalties.

Therefore, Brand Partners must not engage in telemarketing in the operation of their Company businesses. The term “telemarketing” means the placing of one or more telephone calls to an individual or entity to induce the purchase of a Company product or service, or to recruit them for the Company opportunity. “Cold calls” made to prospective customers or Brand Partners that promote either Company products or services or the Company opportunity constitute telemarketing and are prohibited. However, a telephone call placed to a prospective customer or Brand Partner (a “prospect”) is permissible under the following situations:

- a) You may call family members, personal friends, and acquaintances. An “acquaintance” is someone with whom you have at least a recent first-hand relationship within the preceding three (3) months. Bear in mind, however, that if you make a habit of “card collecting” with everyone you meet and subsequently calling them, the FTC may consider this a form of telemarketing that is not subject to this exemption. Thus, if you engage in calling “acquaintances,” you must make such calls on an occasional basis only and not make this a routine practice.
- b) The prospect’s personal inquiry or application regarding a product or service offered by the Brand Partner, within the three (3) months immediately preceding the date of such a meeting.
- c) If the Brand Partner has an established business relationship with the prospect. An “established business relationship” is a relationship between a Brand Partner and a prospect based on the prospect’s purchase, rental or lease of goods or services from the Brand Partner, or a financial transaction between the prospect and the Brand Partner within the eighteen (18) months immediately preceding the date of a telephone call to induce the prospect’s purchase of a product or service.
- d) If the Brand Partner receives written and signed permission from the prospect authorizing the Brand Partner to call. The authorisation must specify the telephone number(s) which the Brand Partner is authorised to call.

In addition, Brand Partners shall not use automatic telephone dialing systems relative to the operation of their Company businesses. The term “automatic telephone dialing system” means equipment which has the capacity to (a) store or produce telephone numbers to be called, using a random or sequential number generator, and (b) to dial such numbers.

9.25 (b) The Spam Act of 2003 and Unsolicited Communication

The Australian Spam Act of 2003 as introduced is to prevent and regulate the sending of unsolicited commercial electronic messages. These include but are not limited to email, texts, and all forms of messaging to other digital devices. Brand Partners are advised to familiarise themselves with the Act and comply. Broadly:

- a) The Act applies to all persons and organisations and prohibits the sending of commercial electronic messages without the consent of the recipient. The content of which may offer to supply, advertise or promote goods (e.g. promotions or special offers) or the Nerium business opportunity.
- b) Where an electronic message is void of content of a commercial nature but does harbor links to a commercial website then this may also constitute a breach within the Act. Therefore updates and newsletters may fall within this category, however it will depend on their nature and the intent.
- c) All commercial electronic messages sent by or on behalf of a Brand Partner must be sent with the recipient’s consent and include up to date and accurate contact details of the sender. Additionally there should reside an unsubscribe function so the receiver has the choice to withdraw from the mailing.
- d) Brand Partners should also note that the supply, acquisition and use of address-harvesting software, that searches the internet for electronic addresses, and then proceeds to use the list, is not permitted by Nerium.

For further information about the Spam act of 2003, Brand Partners should seek independent legal advice.

9.25 (c) Door Knocking/Canvassing

Brand Partners are advised to conduct business online and are discouraged from canvassing Door/Door. This practice is bound by Australian Consumer Law (ACL) and should Brand Partners pursue this course it is incumbent on them to familiarise themselves and comply with their obligations under ACL (This can be found at www.consumerlaw.com.au) and the Australian Do Not Call Register Act of 2006.

Section 10 (Retail Customer Returns)

10.01 Retail Customer Guarantee

The Company offers a 100% money-back satisfaction guarantee to all retail customers within thirty (30) days of purchase. If a retail customer is dissatisfied with any of the Company products for any reason, then that retail customer may return that product in its original package and shipping containers, with original proof of purchase, to the original selling Brand Partner for either a replacement or a full refund of the purchase price.

10.02 Warranties

Except as expressly stated herein, the Company makes no warranty or representation as to the merchantability, fitness for a particular purpose, workmanship or any other warranty concerning any product or service purchased from or through the Company. The manufacturer's warranty will be transferred to the Brand Partner.

Consumer Rights

10.03 Consumer Law

The Australian Consumer Law provisions of the Competition and Consumer Act 2010, and in particular those provisions dealing with unsolicited goods and services and unsolicited consumer agreements, are applied to all Nerium transactions between Brand Partners and Customers.

Nerium encourages all Customers to purchase products directly from Nerium who will provide all official sales receipts.

However, If a Brand Partner chooses to sell any Nerium products directly to a Customer, it then becomes incumbent on the Brand Partner to comply with Australian Consumer Law (ACL)

Purchase Agreements, Sales receipts and GST

A Purchase Agreement is required to be completed by the Customer and Brand Partner at the time of sale when:

- (a) The sale exceeds \$100 in value or it is a repeat sale within three (3) months and the total sale exceeds \$500
- (b) The product purchase was not as a result of a Party Plan, Organised event, Opportunity meeting or the like, or
- (c) If the sale to the Customer was the result of a unsolicited meeting or 'cold call' from the Brand Partner

A Purchase Agreement must include:

- (1) The date of the transaction
- (2) Cancellation rights and details
- (3) The name and address of the selling Brand Partner
- (4) A Brand Partner Tax Invoice with each Customer order. Note: Brand Partners who are registered for GST purposes must charge GST and this needs to be clearly visible on the invoice.

(Brand Partners who are not registered under and for the purposes of the Goods and Services Tax Legislation cannot charge Goods and Services Tax (GST), to a Customer and must supply a Nerium Customer Receipt with each customer order).

Unsolicited consumer regulations – these conditions impact how you approach potential customers, supply the goods purchased and when you may accept payment for the products.

Exceptions to Australian Consumer Law (ACL):

Australian Consumer Law regarding unsolicited consumer agreements contain several exceptions that make the law inapplicable to Nerium Brand Partners. The requirements do NOT apply to the following selling arrangements between you and a customer:

1. If the sale made was for the purpose of resale and all discussions preceding the sale took place wholly at either Nerium's corporate premises, the Distributor's business, home or trade premises [if the Distributor is making a retail sale] or if the sale was conducted online
2. If your approach to the consumer resulted from an invitation from the consumer
3. If the value of the single transaction is less than \$100
4. If the sale of products is the result of a 'party' where the customer was invited (there must be 3 or more people invited, however only 1 need attend) and you clearly identified the purpose of the 'party' (Please note that a 'party' can include any meeting, Business Opportunity Meeting or an actual Party plan event).
5. If your customer has enrolled in the Automatic Delivery Rewards (ADR) program and products are shipped monthly from Nerium directly to your customer
6. If it is a repeat sale to the customer within a three (3) month period and the total amount of all the products supplied is less than \$500.

Compliance Requirements For Regulated Unsolicited Consumer Agreements

If the appointment of approach does not fall within the criteria above then this may constitute an unsolicited approach and as such you are subject to the following requirements:

- a) You will be required to use a Purchase Agreement, as provided by Nerium. All Brand Partners must provide the customer with a completed copy of the Purchase Agreement (which has been signed by the customer) and a duplicate copy must be kept for the Brand Partner's records.
- b) The customer may cancel the agreement either orally or in writing.
- c) Brand Partners are subject to restricted calling hours, so unless the Brand Partner has the consent of the customer they may not call or visit the customer for the purpose of doing business on Sundays and public holidays or outside the hours of 9:00 AM and 6:00 PM on weekdays, and 9:00 AM and 5:00 PM on Saturdays.

Disclosure: Prior to presenting Nerium and the business opportunity Brand Partners are asked to disclose their identity and the purpose for their appointment or meeting, i.e. that they are there to present the Nerium opportunity and/or products; and disclose that they understand that if asked to leave the premises they will do so immediately upon request.

Cooling Off Period

Brand Partners must disclose the following before they execute an unsolicited consumer agreement:

The customer has 10 business days to terminate any Purchase Agreement from their first business day after a Purchase Agreement is signed or delivered to them. Should this not be disclosed, then the customer has three (3) months to terminate the Purchase Agreement.

Additionally the customer may terminate the agreement within six (6) months if:

- a) The Brand Partner accepts or requires payment during the ten (10) business day cooling-off period
- b) If products are supplied during the ten (10) business day cooling-off period and the value of the Purchase Agreement is more than \$500 or,
- c) If the brand Partner does not provide the Disclosure Requirements at Execution

10.04 Retail Customer Refunds

The Company will replace the returned retail product to the Brand Partner provided the following procedures and conditions are met:

- a) The product shall be returned to the Company by the Brand Partner who purchased it from the Company within thirty (30) days of the date of the original purchase.
- b) Brand Partner shall obtain a return authorisation number from the Company customer service department within ten (10) days of the return date to Brand Partner and prior to returning any product.
- c) The product shall be received by the Company within twenty (20) days of the return date to the Brand Partner.
- d) The return shall be accompanied by the following:

 - 3) The unused portion of the product is returned, if possible, in its original container, and
 - 4) The name, address, and telephone number of the retail customer.
- e) Proper shipping carton(s) and packing materials shall be used in packaging the product(s) being returned for replacement, and the best and most economical means of shipping is suggested.
- f) The Brand Partner will pay the cost of shipping replacement product(s).

The Company will replace the product, but will not refund to any Brand Partner the purchase price of any retail customer returns.

10.05 Quality Control

Nerium will replace, within twelve (12) months of purchase, any product found to be defective; however, no product shall be returned to Nerium without prior written approval. Exchanges only. No Refunds. Product returned without prior authorisation will not be accepted. Nerium will provide the Brand Partner with a return authorisation number and will instruct the Brand Partner where to ship the product for inventory verification. Upon receipt and verification of the product, Nerium will ship out replacement product as appropriate. Nerium will not replace any product previously certified by a Brand Partner as sold under the 70% Rule, product obtained as demonstration, or promotional items i.e. via Nerium Gives Back or the 3URFree type programs.

10.06 Termination Returns

A Brand Partner who terminates their Brand Partner's business relationship with the Company has the right to return products purchased within the previous thirty (30) days. Nerium will not issue a refund nor replace any product if the refund is deemed to violate the 70% rule. No refunds will be issued unless a Brand Partner is in strict compliance with the procedures contained herein. Commissions and bonuses that were paid to the Brand Partner may be deducted from their refund. The Brand Partner needs to contact the Nerium Customer Service department to obtain a return authorisation number before returning the product. Unauthorised returns will not be accepted. Brand Partners are responsible for shipping of the product back to Nerium at their expense.

Section 11 (General Provisions)

11.01 Indemnity Agreement

The Brand Partner agrees to indemnify and hold harmless the Company, its shareholders, officers, directors, employees, agents and successors in interest from and against any claim, demand, liability, loss, cost or expense including, but not limited to, court costs and Lawyer's fees, asserted against or suffered or incurred by any of them, directly or indirectly, arising out of or in any way related to or connected with allegedly or otherwise, that Brand Partner's (a) activities as Brand Partner; (b) breach of the terms of the Agreement; and/or (c) violation of or failure to comply with any applicable federal, state or local law or regulation.

Treatment Risk

If a Brand Partner offers their services as a specialist in skin care or as a beautician or the like, Nerium advises that the Brand Partner should arrange their own Public and Product Liability Insurance including Treatment Risk Cover. Nerium does not cover insurance claims that may arise from any such treatment and therefor absolves itself from the legal liability of the same.

Brand Partners must not use 'skin analysis' or 'skin scanning' devices or any other diagnostic techniques or equipment for the promotion and sale of Nerium products without express permission from Nerium. Nerium will not accept any responsibility for the use or misuse of such equipment or techniques and nor will its insurers.

11.02 Other Services and Products

No products or services except for the Company's products or services shall be sold or shown at any event where the Company's product or services are sold or shown. Except as provided above, a Brand Partner is not restricted from selling other companies' services and products that are not similar to or competitive with the products and services of the Company. However, promotion of direct sales and/or network marketing programs and/or competitive services or products with anyone are strictly prohibited.

11.03 Limit on Liability

To the extent permitted by law, the Company shall not be liable for and the Brand Partner releases the Company from, and waives all claims for any loss of profits, indirect, direct, special or consequential damages or any other loss incurred or suffered by Brand Partner as a result of (a) the breach by Brand Partner of the Agreement and/or the terms and conditions of the Policy Manual; (b) the operation of Brand Partner's business; (c) any incorrect or wrong data or information provided by Brand Partner; (d) any copyright violation in connection with materials provided by Brand Partner; or (e) the failure to provide any information or data necessary for the Company to operate its business, including, without limitation, the enrolment and acceptance of Brand Partner into the Compensation Plan or the payment of commissions and bonuses.

11.04 Limitation of Damages

TO THE EXTENT PERMITTED BY LAW, THE COMPANY AND ITS AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES AND OTHER REPRESENTATIVES SHALL NOT BE LIABLE FOR, AND BRAND PARTNER HEREBY RELEASES THE FOREGOING FROM, AND WAIVE ANY CLAIM FOR LOSS OF PROFIT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES WHICH MAY ARISE OUT OF ANY CLAIM WHATSOEVER RELATING TO THE COMPANY'S PERFORMANCE, NON-PERFORMANCE, ACT OR OMISSION WITH RESPECT TO THE BUSINESS RELATIONSHIP OR OTHER MATTERS BETWEEN ANY BRAND PARTNER AND THE COMPANY, WHETHER SOUNDING IN CONTRACT, TORT OR STRICT LIABILITY. Furthermore, it is agreed that any damages to the Brand Partner shall not exceed and is hereby expressly limited to, the amount of unsold Company programs, services and/or products of the Company owned by Brand Partner and any commissions owed to Brand Partner.

11.05 Recordkeeping

The Company encourages the Brand Partner to keep complete and accurate records of all Brand Partner's business dealings.

11.06 Non-Solicitation

As an inducement for the Company to enter into this Agreement and in consideration of the mutual covenants contained herein, Brand Partners shall not, directly or indirectly, on their own behalf or on the behalf of any other person or entity, solicit, induce or hire any Brand Partner, employee, member, customer, supplier, consultant, sub-contractor or vendor of the Company.

11.07 Amendments

The Company reserves the right to amend the Agreement, Policy Manual, its retail prices, product availability and the Compensation Plan at any time without prior notice as it deems appropriate. Amendments will be communicated to the Brand Partner through official Company publications, by posting on the company website, or voice and/or e-mail. Amendments are effective and binding on the Brand Partner as of the date of issuance. In the event any conflict between the original documents or policies and any such amendment, the amendment will control.

11.08 Non-Waiver Provision

No failure of the Company to exercise any power under the Policy Manual or to insist upon strict compliance by the Brand Partner with any obligation or provision herein, and no custom or practice of the parties at variance with this Policy Manual, shall constitute a waiver of the Company's right to demand exact compliance with this Policy Manual. The Company's waiver of any particular default by the Brand Partner shall not affect or impair the Company's rights with respect to any subsequent default, nor shall it affect in any way the rights or obligations of any other Brand Partner. Nor shall any delay or omissions by the Company to exercise any right arising from a default affect or impair the Company's rights as to that or any subsequent default. Waiver by the Company can be affected only in writing by an authorised officer of the Company.

11.10 Entire Agreement

This Policy Manual is incorporated into the Agreement along with the Compensation Plan, and constitutes the entire agreement of the parties regarding their business relationship.

11.11 Governing Law

This Brand Partner Policies and Procedures Manual is governed by, and will be construed in accordance with, the laws in force in the State of South Australia and the parties irrevocably submit to the exclusive jurisdiction of the Courts in the State of South Australia in respect of all matters arising under, or in connection with, this Brand Partner Policies and Procedures Manual.

11.12 Force Majeure

The Company shall not be responsible for delays or failure in performance caused by circumstances beyond a party's control, such as strikes, labor difficulties, fire, war, government decrees or orders, or curtailment of a party's usual source of supply.

11.13 Notice

Any communication, notice or demand of any kind whatsoever, which either the Brand Partner or the Company may be required or may desire to give or to serve upon the other shall be in writing and delivered by electronic communication whether by text, e-mail or fax (if confirmed in writing sent by registered or certified mail, postage pre-paid, return receipt requested or by personal service). Any party may change its address by giving written notice to the other in the manner provided in this Section. Any such communication, notice or demand shall be deemed to have been given or served on the date personally served by personal service, on the date of confirmed dispatch if by electronic communication, or on the date shown on the return receipt or other evidence if delivery is by mail.

11.14 Everability

If under any applicable and binding law or rule of any applicable jurisdiction, any provision of the Agreement, including this Policy Manual, or any specification, standard or operating procedure which the Company has prescribed is held to be invalid or unenforceable, the Company shall have the right to modify the invalid or unenforceable provision, specification, standard or operating procedure or any portion thereof, to the extent required to be valid and enforceable, and the Brand Partner shall be bound by any such modification. The modification will be effective only in the jurisdiction in which it is required.

11.15 Violations

It is the obligation of every Brand Partner to abide by and maintain the integrity of this Policy Manual. If a Brand Partner observes another Brand Partner committing a violation, such Brand Partner should discuss the violation directly with the violating Brand Partner. Any violations reported to the Company shall follow the Company's reporting procedures and may be reported by phone to Nerium International Support Department at 1300-NERIUM (1300-637-486).

Section 12 (Code Of Professional Ethics)

NERIUM INTERNATIONAL, LLC, BELIEVES THAT ITS BRAND PARTNERS SHOULD SUBSCRIBE TO THE PRINCIPLES OF FAIRNESS, HONESTY, INTEGRITY, AND SERVICE. THE RELATIONSHIP OF THE COMPANY TO BRAND PARTNER, BRAND PARTNER TO CUSTOMER, AND BRAND PARTNER TO OTHERS SHOULD BE PRESERVED, PROTECTED, AND PROMOTED IN ACCORDANCE WITH THE HIGHEST STANDARDS OF CONDUCT. THEREFORE, THE BRAND PARTNER AGREES TO ABIDE BY AND SUBSCRIBE TO THE CODE OF PROFESSIONAL ETHICS (THE "CODE OF ETHICS") CONTAINED IN THIS SECTION TWELVE.

AS A BRAND PARTNER, I AGREE THAT:

12.01 I will be honest and fair in all my dealings while acting as a Brand Partner of the Company.

12.02 I will respect the time and privacy of the people I contact to become retail customers or Brand Partners of the Company. I will be courteous and respectful to every person contacted in the course of my Company business.

- 12.03** I will perform all my professional activities in a manner that will enhance my reputation and the reputation of the Company.
- 12.04** I will fulfill my leadership responsibilities as a Sponsor, including training and otherwise supporting Brand Partners in my sales organisation.
- 12.05** I will not engage in any deceptive or illegal practice, or any practice prohibited by the Agreement or the Policy Manual. I will not make diagnostic, therapeutic or curative claims for the Company's products.
- 12.06** I will not make any claims not contained in official Company literature. I will represent only that "each body is unique and responds uniquely to different products," remembering that even my personal experience with the product may be interpreted as an "extension of labeling claims" if I use those experiences as a sales device.
- 12.07** I will make no income claims or representations regarding the Company Compensation Plan, remembering that ideal projections of the Company Compensation Plan are unrealistic. No network is grown in a perfect geometric progression and therefore it is impossible to predict incomes. Further, a Brand Partner's success depends on many variables such as the amount of time committed to their business and the degree of organisational ability.
- 12.08** I understand and agree that I am solely responsible for all financial and/or legal obligations incurred by me in the course of my business as a Brand Partner of Nerium International, including self-employment taxes, income taxes, sales taxes, license fees, and related personal fees.
- 12.09** I will always honour the Company's 100% satisfaction, thirty (30) day money back guarantee when dealing with my retail customers.
- 12.10** I understand and agree that capitalism is one of the most competitive economic systems in the world; I will compete aggressively but fairly, and I will respect the professionals of other network marketing companies. I will not solicit from the proprietary rolls or "genealogical" printouts of other network marketing companies. I will not use sales materials or professional associations that may be regarded as proprietary by other companies. The Company seeks to promote the reputation of all reputable network marketing companies that are furthering the cause of personal independence for their Brand Partners.
