

New Zealand Returns, Refunds & Exchanges Policy

CUSTOMERS WHO PURCHASE DIRECT FROM A BRAND PARTNER

Nerium obligates its Brand Partners to honour the Company's 100%, unconditional, 30-day, money-back guarantee to all Customers. If for any reason a Customer is dissatisfied with any Nerium product, they may return the product, preferably in its original package and shipping containers, with the original proof of purchase to the Brand Partner from whom the product was purchased. Product must be returned within thirty (30) days of the date of purchase for a replacement, exchange, or full refund of the purchase price. If the Retail Customer requests a refund, the Brand Partner who sold the product to the Customer must immediately refund the Customer's purchase price. Customers must return merchandise to the Brand Partner who sold it to them; Nerium will not accept returned merchandise directly from Customers. Brand Partners are responsible for the \$11.95 cost of return freight.

The Brand Partner, in turn, should contact Nerium to obtain a Return Merchandise Authorisation (RMA) from Nerium Customer Support within ten (10) days of the return date to Brand Partner.

The return shall be accompanied by the following:

1. A signed statement from the Customer identifying the reason for the return
2. A copy of the original retail sales receipt
3. The unused portion of the product returned in its original container, and
4. The name, address and telephone number of the Customer. Nerium will then replace the returned merchandise with like product of equal or greater value and ship it to the Brand Partner. The Brand Partner will pay the \$11.95 cost of shipping replacement product(s). All Customers must be provided with a copy of an official Nerium sales receipt at the time of the sale. None of the provisions in this policy seek to prevent any rights or remedies available under New Zealand Consumer Law.

Commissions and bonuses that were paid to the Brand Partner may be deducted from their refund.
